Subject: Re: Planning Consultation Request for case ref: 24/0782

Dear Sirs

With regard to this application, Llanwern Community Council would like to voice the concerns of Glan Llyn residents:

The concerns of most people are around the increased traffic. Glan Llyn already has issues since the closure of the road heading to Bloomery Circle causing increased traffic by the School. As Lidl and the nursery will be by the Llanwern Bull, there will be increased traffic by the other exit from the Estate.

We trust that this will be taken into consideration and mitigation put in place to solve this problem.

Kind regards

Mandy George
