Dear Sir

Re: Listed Building Consent for replacement of external CCTV system
The Islamic Society For Gwent Victoria Road Newport NP20 4EQ
Pl.App.No.: 26/0577

Thank you for consulting us about this application; consequently we have reviewed the detailed information contained on your website.

We have consulted the regional Historic Environment Record and note that the Victoria Road United Reformed Church is a Grade II Listed Building (Cadw ref. 3048). The structures dates to 1859 and is Listed as a strikingly-sited impressive mid 19th century chapel. It also has Group Value with adjacent Listed Buildings in Victoria Place.

However, as the submitted documents indicate, the proposal will 'reuse all existing fixing holes and cable penetrations. Consequently no additional drilling or intervention into the historic fabric of the building will be required.' Overall, it is unlikely that archaeologically significant material will be encountered during the course of the proposed works.

As a result, there is unlikely to be an archaeological restraint to this proposed development and consequently, as the archaeological advisors to your Members, we have no objections to the positive determination of this application. The record is not definitive, however, and features may be disturbed during the course of the work. In this event, please contact this division of the Trust.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

R. Dunning
