

Highway Response

Ref: 25/0956

Date: 19/12/25

PROPOSAL: SHOP FRONT REDECORATION AND REPLACEMENT REFRIGERATION PLANT WITH CANOPY

SITE: Somerton Park Garage Cromwell Road Newport NP19 0HT

Case Officer: Jonathan Jones

Highway Officer: Kevin Jackson

Highway recommendation:

Objection, pending further information.

Highway Comments:

Highways would not take issue with any changes to the store front. However, the proposals include changes to the service area which is already sub-standard and the submission does not consider how it would operate in the future.

We would request further information regarding existing and proposed servicing practices, including timings, vehicle types and swept paths for the vehicles used at this store (not generic/assumed vehicle types).
