

Highway Response

Ref: RECON 25/0407

Date: 04/08/25

PROPOSAL: REMOVAL OF STORED PULVERISED FUEL ASH (PFA) AND THE INSTALLATION OF A NEW BATTERY ENERGY STORAGE SYSTEM (BESS) WITH ALL ASSOCIATED DRAINAGE, INFRASTRUCTURE, ENGINEERING AND ASSOCIATED UTILITIES CONNECTIONS

SITE: Land At Uskmouth Power Station West Nash Road Nash Newport NP18 2BZ

Case Officer: Joanne Davidson

Highway Officer: Kevin Jackson

Highway recommendation:

No change.

Highway Comments:

The additional information provided by the applicant does not appear to address the issues previously raised.

The response from severn power suggests that the existing rail line would no longer be viable for either this or their site, following the proposed development. We would therefore repeat our request for further information and refer the applicant back to our previous comments.
