

Highway Response

Ref: 25/0310

Date: 20/05/25

PROPOSAL: NEW VEHICLE ACCESS ONTO THE PUBLIC HIGHWAY TO PROVIDE A SECONDARY ACCESS FACILITY TO THE EXISTING GD ENVIRONMENTAL YARD AND EXISTING HAULAGE BUSINESS OPERATIONS

SITE: Gd Environmental Nash Road Newport NP18 2BS

Case Officer: Francesca Sanders

Highway Officer: Kevin Jackson

Highway recommendation:

Objection, pending justification and rationale.

Highway Comments:

In principle the less access points there are to any road the safer it is. A secondary access cannot therefore be supported unless there is a compelling safety benefit. No justification or rationale has been provided. We would therefore offer an objection on highway safety grounds.
