Subject: Re: RE: Planning application consultation

Hi Marnie

Further to my previous email and having the depth of the first floor extension confirmed by my neighbour at No. 26 and their agent I can confirm that we would have no objection to the proposal. This is on the basis that the depth of the first floor extension where it is adjacent to No. 24 does not exceed 3.00 metres as measured from the existing bathroom exterior rear wall.

Regards, [REDACTED]
