PARTIAL DISCHARGE OF CONDITIONS 16 (REEN WIDENING WORKS) AND 24 (BOUNDARY TREATMENTS) OF PLANNING PERMISSION 13/1279 FOR DEVELOPMENT OF 251 DWELLINGS AND ASSOCIATED WORKS

Good Morning Geraint,

I have no objection with Application 17/0970.

However, the applicant should be informed that as an existing watercourse is to be modified that ordinary watercourse consent may be required and therefore the applicant should make contact with the relevant authority.
