Description of the Proposal

Description

Please describe the proposed development including any change of use

CHANGE OF USE OF OFFICE BUILDING TO HOLIDAY LET AND REMOVAL OF CONDITION 03 (USE OF SITE FOR PRIVATE LEISURE EQUESTRIAN PURPOSES) OF PLANNING PERMISSION 22/0216 ON SITE AREA ONLY TO ALLOW FOR SPECIALISED EQUESTRIAN (SHORT TERM) HOLIDAY LETS

Change of use of office building to holiday let and relaxation of personal restriction (non commercial use) on part of the land associated with the building and one stable block of 3 boxes to allow for specialised equestrian (short term) holiday lets.

The proposal would be to cater for the needs of those people who wish to holiday in the area and potentially for those who wish to bring their own horses to take advantage of the beautiful riding countryside in the Wentwood area.

It is appreciated that there is currently a restriction (personal use for equestrian is as per the 2022 retrospective application), therefore this application relates to change of use of the office buildings together with the lifting of the restriction of personal use on part of the ancillary land including one stable block to facilitate guests who wish to bring their own horses and thereby making this holiday let a unique and attractive equine holiday business.

Previous uses have involved employment of staff, and large numbers of visitors, there have also been historically noise complaints in relation to past activities. The current owner wishes to ensure that any future use is measured and in keeping with the countryside. There will be arguably less traffic involved in such a usage over and above both historic uses and current office use.

The application does not involve any increase in the size of the current building which would provide 3 bedroomed accommodation and a maximum of 6 guests.

Details of the pre-application advice received

The pre application acknowledged that this is a change of use but that the existing building is not going to be enlarged and the visual amenity is unaltered. The pre-app raised some concerns around management of the holiday let and the applicants live at Wentwood Lodge and would be happy with a restriction that the holiday let could only be managed by the owners of Wentwood Lodge.

The proposal is considered to comply with the aims of Policy GP4 and that a holiday let of ONE unit is unlikely to result in any highway concerns.

It was considered that the proposal is likely to have policy merit particularly given the link to the adjacent equestrian use and existing residence, however there were concerns raised over increased use of larger vehicles and potential impact on highway safety.

The following documents should be submitted with an application

- 1.Green Infrastructure statement
2. Speed survey
3. Assessment of traffic generation , type of vehicle and assessments of potential passing points for routes into the site
- 4.Management Plan to detail how the holiday let and equestrian uses will be managed
