Hi Sam,

Very well thank you, hope you are well.

My understanding is the bins will be collected by our crews from the internal store area using the relevant codes for the digi-locks, and given the distance to the pavement stated on the attached plan is correct, this would not be an issue.

We also advise NCC bins are bought, as the structure and size of these bins are compatible with our Refuse lorries.

Please let me know if you have any further queries.

Cofion Cynnes / Kind Regards.
