

Highway Response

Ref: 26/0038

Date: 03/03/26

PROPOSAL: REPLACEMENT VEHICULAR GATES AND REBUILDING OF STONE BOUNDARY WALL

SITE: 3 Victoria Lane Newport NP19 8GN

Case Officer: Lydia Burrows

Highway Officer: Kevin Jackson

Highway recommendation:

Not supported, but no formal objection.

Highway Comments:

As set out at the pre-app stage, highways require visibility splays that would be obstructed by the gates, but note that the existing walls already obstruct the necessary splays.

Whilst it could be argued to be no less safe it cannot be supported by Highways.
