Subject: Request for extension to NRW's response deadline RE: Planning Consultation Request for case ref: 25/0736 NRW:01217209

Hello Joanne

NRW is due to respond to the above consultation on 6th October 2025 but is unable to do so. Is it possible to have an extension to our deadline, until 16th October 2025? If we can respond sooner we will. If I do not hear from you I shall assume an extension to our deadline is acceptable.

Kind regards

Annabelle
