

## 20. Site Area

Please state the site area in hectares (ha)

Does your proposal involve the construction of a new building which would result in the loss or gain of public open space?

☐ Yes ☒ No

If Yes, please complete the following information regarding public open space:

|                   | Open Space Lost | Open space gained |
|-------------------|-----------------|-------------------|
| Area of Land (ha) |                 |                   |

## 21. Assessment of Flood Risk

Is the site within an area at risk of flooding? (Refer to the Welsh Government's Development Advice Maps website - <http://data.wales.gov.uk/apps/floodmapping/>)

☐ Yes ☒ No

If Yes, and you are proposing a new building or change of use, please add details of the proposal in the following table:

| Floodplain Area | Residential (Number of units) | Non-residential (Area of land - hectares) |
|-----------------|-------------------------------|-------------------------------------------|
| Floodplain C1   |                               |                                           |
| Floodplain C2   |                               |                                           |

If the proposed development is within an area at risk of flooding you will need to consider whether it is appropriate to submit a flood consequences assessment. (Refer to Section 6 and 7 and Appendix 1 of TAN 15 - <http://wales.gov.uk/topics/planning/policy/tans/tan15/?lang=en>)

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? ☐ Yes ☒ No

Will the proposal increase the flood risk elsewhere? ☐ Yes ☒ No

How will surface water be disposed of?

☐ Sustainable drainage system ☐ Soakaway ☐ Main sewer ☐ Existing watercourse ☐ Pond/lake

## 22. Existing Use

Please describe the current use of the site:

FOUR BEDROOM HOUSE / RESIDENTIAL

Is the site currently vacant? ☐ Yes ☒ No

If Yes, please describe the last use of the site:

When did this use end (if known)? (DD/MM/YYYY)

(date where known may be approximate)

Does the proposal involve any of the following:

Land which is known to be contaminated? ☐ Yes ☐ No

Land where contamination is suspected for all or part of the site? ☐ Yes ☐ No

A proposed use that would be particularly vulnerable to the presence of contamination? ☐ Yes ☐ No

If you have answered Yes to any of the above, you will need to submit an appropriate contamination assessment.

Does your proposal involve the construction of a new building? ☐ Yes ☒ No

If Yes, please complete the following information regarding the element of the site area which is in previously developed land or greenfield land:

|                                                | Previously Developed Land | Greenfield Land |
|------------------------------------------------|---------------------------|-----------------|
| Area of land (ha) proposed for new development |                           |                 |

## 23. Renewable and Low Carbon Energy

Does your proposal involve the installation of a stand-alone renewable or low-carbon energy development? ☐ Yes ☐ No

If you have answered Yes to the question above please state the proposed energy output capacity in MegaWatts (MW):

| Renewable Energy Type                                       | Energy Capacity (MW) |
|-------------------------------------------------------------|----------------------|
| Anaerobic digestion                                         |                      |
| Biofuels                                                    |                      |
| Biomass                                                     |                      |
| Combined heat and power (CHP)                               |                      |
| District heating                                            |                      |
| Fuel cells                                                  |                      |
| Geothermal                                                  |                      |
| Ground/water/air heat pumps                                 |                      |
| Hydropower                                                  |                      |
| Solar                                                       |                      |
| Waste heat energy                                           |                      |
| Wind                                                        |                      |
| Other low carbon or renewable energy (please specify below) | COMBI BOILER         |
| IDEAL VOGUE MAX                                             | COMBI 40             |

## Industrial or Commercial Processes and Machinery

*N/A*

Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site:

Is the proposal a waste management development? ☐ Yes ☒ No

If the answer is Yes, please complete the following table:

|                                                                    | Not applicable           | The total capacity of the void in cubic metres, including engineering surcharge and making no allowance for cover or restoration material (or tonnes if solid waste or litres if liquid waste) | Maximum annual operational throughput in tonnes (or litres if liquid waste) |
|--------------------------------------------------------------------|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------|
| Inert landfill                                                     | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Non-hazardous landfill                                             | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Hazardous landfill                                                 | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Energy from waste incineration                                     | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Other incineration                                                 | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Landfill gas generation plant                                      | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Pyrolysis/gasification                                             | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Metal recycling site                                               | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |

| Other treatment                                                    | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Recycling facilities construction, demolition and excavation waste | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Storage of waste                                                   | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Other waste management                                             | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |
| Other developments                                                 | <input type="checkbox"/> |                                                                                                                                                                                                |                                                                             |

Please provide the maximum annual operational throughput of the following waste streams:

|                                         |  |
|-----------------------------------------|--|
| Municipal                               |  |
| Construction, demolition and excavation |  |
| Commercial and industrial               |  |
| Hazardous                               |  |

If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make clear what information it requires on its website.

## 25. Hazardous Substances

Does the proposal involve the use or storage of any of the following materials in the quantities stated below? ☐ Yes ☐ No ☒ Not applicable

If Yes, please provide the amount of each substance that is involved:

|                        |                      |                               |                      |                              |                      |
|------------------------|----------------------|-------------------------------|----------------------|------------------------------|----------------------|
| Acrylonitrile (tonnes) | <input type="text"/> | Ethylene oxide (tonnes)       | <input type="text"/> | Phosgene (tonnes)            | <input type="text"/> |
| Ammonia (tonnes)       | <input type="text"/> | Hydrogen cyanide (tonnes)     | <input type="text"/> | Sulphur dioxide (tonnes)     | <input type="text"/> |
| Bromine (tonnes)       | <input type="text"/> | Liquid oxygen (tonnes)        | <input type="text"/> | Flour (tonnes)               | <input type="text"/> |
| Chlorine (tonnes)      | <input type="text"/> | Liquid petroleum gas (tonnes) | <input type="text"/> | Refined white sugar (tonnes) | <input type="text"/> |

## 26. Ownership Certificates (continued)

### Certificate of Ownership – Certificate D

#### Town and Country Planning (Development Management Procedure) (Wales) Order 2012

I certify/ The applicant certifies that:

- Certificate A cannot be issued for this application
- All reasonable steps have been taken to find out the names and addresses of everyone else who, on the day 21 days before the date of this application, was the owner (*owner is a person with a freehold interest or leasehold interest with at least 7 years left to run*) of any part of the land to which this application relates, but I have/ the applicant has been unable to do so.

The steps taken were:

|  |
|--|
|  |
|--|

Notice of the application has been published in the following newspaper (circulating in the area where the land is situated):

On the following date (which must not be earlier than 21 days before the date of the application):

|  |
|--|
|  |
|--|

|  |
|--|
|  |
|--|

Signed - Applicant:

Or signed - Agent:

Date (DD/MM/YYYY):

|  |
|--|
|  |

## 28. Planning Application Requirements - Checklist

Please read the following checklist to make sure you have sent all the information in support of your proposal. Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the Local Planning Authority has been submitted.

The original and 3 copies of a completed and dated application form:

☐ The correct fee: ☐

The original and 3 copies of the plan which identifies the land to which the application relates drawn to an identified scale and showing the direction of North:

☐ The original and 3 copies of a design and access statement, if required (see help text and guidance notes for details): ☐

The original and 3 copies of other plans and drawings or information necessary to describe the subject of the application:

☐ The original and 3 copies of the completed, dated Ownership Certificate (A, B, C, or D - as applicable): ☐

Depending on the type and scale of proposed development, your application - in order to be validated - may also need to be accompanied by the following technical documents:

☐ The original and 3 copies of the completed, dated Article 11 Certificate (Agricultural Holdings): ☐

- Flood Consequences Assessment
- Biodiversity and Geological Conservation Assessment
- Tree Survey
- Coal Mining Risk Assessment
- Rural Enterprise Dwelling Appraisal
- Retail Impact Assessment
- Noise Assessment
- Transport Assessment

The guidance note available on the Planning Portal website (see "Local level requirements and additional documentation") and Welsh Government Circular 002/2012 will assist you in determining whether any of these assessments are necessary.

You should also note that your Local Planning Authority may have adopted 'Local Validation Requirements' for some major developments. Information on any "Local Validation Requirements" will be available on the Local Planning Authority's website.

## 29. Declaration

I/we hereby apply for planning permission as described in this form and the accompanying plans/drawings and additional information. I confirm that, to the best of my knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the persons giving them.
