Subject: RE: Planning Consultation Request for case ref: 26/0132

Hello,

No objections, the site is too small for multiple trees to go back in a 1 - 1 ratio is acceptable. With the condition that evidence needs to be supplied in 3 years post planting to prove the tree has established. Should the tree fail to establish it must be replanted with a new tree and then re evidenced 3 years later.

Cofion Cynnes / Kind Regards,

Richard Baron
