Subject: RE: 25/0741

Hi Jacob

Please find my comment on 25/0741.

Date:
02.02.2026
Main Location:
Land North Of And Adjacent To St Mary's Church
Church Lane
Marshfield
Cardiff
South Wales
Application Description:
CONSTRUCTION OF STABLE BLOCK, ALTERATIONS TO ACCESS AND ECOLOGICAL ENHANCEMENTS

Planning reference number:
25/0741
Planning case officer:
Jacob Cooke

I refer to the above application passed to the Environmental Protection Team for comment.

I have no objections to the proposed development. Due to environmental protection concerns such as noise, dust that could arise from the development and attract nuisance complaints from the residents, I suggest the following condition should be attached to any permission granted;

Construction Environmental Management Plan

No development shall take place until a site specific Demolition and Construction Environmental Management Plan has been submitted to and been approved in writing by the Council. The plan must demonstrate the adoption and use of the best practicable means to reduce the effects of noise, vibration, dust and site lighting. The plan should include, but not be limited to:

- Procedures for maintaining good public relations including complaint management, public consultation and liaison
- Arrangements for liaison with the Newport City Council Noise & Neighbourhood Team
- Deliveries to and removal of plant, equipment, machinery and waste from the site must only take place within permitted hours
- Mitigation measures as defined in BS 5228: Parts 1 and 2 : 2009 Noise and Vibration Control on Construction and Open Sites shall be used to minimise noise disturbance from construction works.
- Procedures for emergency deviation of the agreed working hours.
- Measures for controlling the use of site lighting whether required for safe working or for security purposes.
- Measures to mitigate demolition dust and material causing a nuisance to local residents, for example sheeting of loads and wheel washing apparatus

Reason: To protect the amenities of occupiers of other premises in the vicinity
