

GREEN INFRASTRUCTURE ASSESSMENT

Project : **10 York Place Newport**

Construction of a single storey rear extension and installation of heat pump

PROPOSAL

The work involves enlargement of the existing ground floor rear extension .

The existing rear yard is hard landscaped which will be re-laid with permeable paving

A green area will be introduced as indicated on the proposed plan providing the opportunity to introduce plants which as are Bee and bird friendly

In summary the Infrastructure impact is considered to be minimal

A Swift Box will be added to the existing building as a Biodiversity enhancement.

Rear Yard

Boundary wall to No 8
