Subject: RE: Planning Consultation Request for case ref: 26/0478

Hello,

No objection for works in line with the consultants report.

Conditions

1) All works to BS 3998

2) A replacement tree for the preposed removal of T4 Ash (TPO 5 of 1980) is required at a ratio of 3 replacements for every felled tree with evidence of establishment in two years should be provided. If the tree does not establish it should be replaced and the establishment re submitted. Replacement trees should be 10-12 cm at 1m as per bs 8545 the species can be selected by the resident. If they wish the option of the replacement tree may be planted on public open space (exact location to be agreed by ncc tree team) at the cost of the applicant/client but NCC will take ownership long term.

Cofion Cynnes / Kind Regards,

Richard Baron
