

This architectural section drawing illustrates a building facade with a car park level indicated below the ground line. The facade features a series of windows and doors. On the left, there are three small, rectangular windows above a set of stairs leading to a larger, multi-paned door. To the right of this door is a row of four rectangular windows. Further right, there is a larger, multi-paned door flanked by two rectangular windows. To the right of this door is another row of four rectangular windows. The drawing includes labels for 'SVP's' at the top right and 'car park level' on the left side. The ground level is marked by a dashed line, and the car park level is marked by a solid line.

Architectural elevation drawing of a building facade. The drawing shows a multi-story building with a gabled roof and a series of windows. A vertical line indicates the 'parapet level'. A sloped section in the foreground is labeled 'car park level'.
