Subject: 21/0196 - Land To South Of Glan Usk Primary School, Herbert Road

Hi Lydia

I have been consulted on the cover systems that have been employed at Plots 1-38 at the above site and am supportive of the information provided towards DOC.

As previously mentioned the piecemeal photo evidence of gas protection needs to be provided in a more formal report such that its provenance is clearer.

The gas validation reporting is the only outstanding matter now in respect of plots 1-38.

Kind Regards
Steve
