Ref: 25/0965

Date: 24/11/25

PROPOSAL: PRIOR APPROVAL FOR DEMOLITION OF THE HOT MILL STRUCTURE AT LLANWERN STEELWORKS
ALONG WITH ITS ASSOCIATED EQUIPMENT AND INFRASTRUCTURE

SITE: Llanwern Works Queensway Llanwern Newport South Wales

Case Officer: Geraint Roberts

Highway Officer: Kevin Jackson

Highway recommendation:

No objection.

Highway Comments:

All vehicles will approach from strategic routes and access the site via an existing manned entrance which is suitable for their size. The site is remote from highway and vehicles will be sheeted and wheel washed as appropriate. There are therefore no highway objections.
