Ref: 25/0156

Date: 24/03/25

PROPOSAL: ATTIC CONVERSION TO CREATE MASTER BEDROOM AND EN SUITE WITH DORMER

SITE: 16 Priory Grove Langstone Newport NP18 2NY

Case Officer: Ben Webster

Highway Officer: Kevin Jackson

Highway recommendation:

Further information requested.

Highway Comments:

It is not clear from the submission if the loft adds another bedroom or if this would impact in terms of parking standard requirements.

If the site already has three bedrooms, the proposals would have no highway implications. If not, we would need to see parking information.
