Description of the Proposal

Description

Please describe the proposed development including any change of use

As part of the 'Net Zero' drive, Tersus were asked by the Intellectual Property Office to obtain planning permission for the following works:

Roof renovation of x2 roof sections of the building, Innovation Block and Wellbeing Block of Concept House.

It has been identified that the glazed elements contribute to significant heat loss. the works are to remove the glazed elements and replace them with the same insulated metal profile sheeting as previously replaced panels : TATA Trisomet insulated panel.

This work has already been completed on an identical section of the roof (Planning Permission Application No: 24/0812 Decision Date: 5th December 2024).

These works are a continuation of the works on the same building using the same method and materials.

Has the work or change of use already started?

☐ Yes

☒ No

Existing Use

Please describe the current use of the site

The Site is the government department of the Intellectual Property Office. A large multi occupancy office ranging from 5 to 3 stories. The section the works will affect is 3 stories high with the existing roof made up of steel and glass.

Is the site currently vacant?
