Hi Lydia

Re: WORKS TO A MIXED TREE GROUP (FELLING) PROTECTED BY THE CAERLEON CONSERVATION AREA

As per NCC's Caerleon Conservation Area Appraisal, mature trees within the area provide high levels of public and visual amenity – and they are considered to form an integral part of both the character and appearance of the area.

I will leave it to the expertise of our tree team to conclude whether the trees in question merit a tree preservation order.

Many thanks,
