Proposed Demolition Works

Please describe the building(s) to be demolished

The former Engineers Office and adjoining flat-roofed building

Please state the reasons why demolition needs to take place

To remove obsolete office space that is not conducive to the effective operation of a Port, and to facilitate the objectives of the Port of Newport Masterplan. In addition, the proximity of the southernmost corner of the building to the bend in East Way Road impairs sight lines and is detrimental to road safety.

Please describe the proposed method of demolition

As described in the Method Statement, segregation, removal, and licensed disposal of all demolition arisings, including any miscellaneous items such as office furniture, shop floor plant, off-site, with provision of waste transfer documents to demonstrate compliance.

How and where would spoil/rubble be disposed of?
