Dear Grant

Thank you for consulting Natural Resources Wales on application CONNEX/25/0767 which we received on 26 September 2025.

Please note we have no record of requesting Condition 8 (Ground Contamination) (Part C Only) of permission 18/1181 as per the proposal description. We note that this condition appears to have been requested by the LPA's Public Protection Manager. Therefore, we have no comment to make on the application as submitted.

We trust that the above comments are of assistance however, should you have any queries, please do not hesitate to contact me.

Kind Regards

Andrew Hurst
