R.E. Condition 2 - Waste Storage

Dear Paul Marshall

I am writing to confirm the waste storage plan for GT Combat, The Underground in Kingsway Centre, Newport. Application N° 24/0644.

As part of our tenancy contract, all waste disposal will be done through the Kingsway Centre. We will have very little waste, so will have 1 Recycling and 1 general waste bin in our Safe Zone. These will be emptied each night in to the main Kingsway bins, outside our unit. There will be no rubbish storage or waste materials kept on site.

The Safe Zone is marked with X on the enclosed plan, we have enclosed the Kingsway Tenant handbook and highlighted waste Management Section.

Kind Regards

Gary Taylor
