Dear Madam.

I Wish to Strongly
protest to the proposed re-development
of a small family home in a built up area
into a 4 bedroomed ~~AMO~~ building.

Problems with parking already
exist. Am surprised with all the opportunities
outside Newport to house people you have
chosen a residential area where problems
already exist. Turning the 'town' centre
down a shopping area into flats &
4. NO buildings doesn't seem to be enough.
Now you seem to be targeting residential
areas. Not sure what is going on.

Will support residents in this
area to defy and stop this but I am
sure that our voices 'Do Not' matter.
