Subject: LETTER OF SUPPORT- Planning Application Ref 26/0350 Sluice Farm, Peterstone CF3 2TN

Letter Of Support

Business Foley Contractors

I fully support SGM's planning application to utilise and further expand their business. SGM is the only sustainable waste management company in South Wales, and its continued growth would provide valuable employment opportunities within the local community, helping to reduce unemployment and support the local economy.

The company's ongoing investment in waste management and recycling will also contribute to improving recycling rates, reducing waste, and delivering important environmental benefits. I therefore strongly support the application and believe that allowing SGM to grow will benefit both the local community and the environment.

Company - Foley Contractors
