Subject: LETTER OF SUPPORT - Planning Application Ref 26/0350 - Sluice Farm, Peterstone CF3 2TN

Letter Of Support

JD Auto

We provide a service to SGM Waste by managing and maintaining their fleet of lorries, helping to ensure that the vehicles are safe, roadworthy and properly maintained. We have been providing these services for approximately one year.

The work we have received from SGM has massively increased our workload and income, to the point where we have had to double our staffing levels to cope with the additional work. This has created additional local jobs and has had a positive impact on our business and the local community.

SGM are now our biggest customer. If the work we carry out for SGM were to end, it would have a devastating financial impact on my business. I would almost certainly have to reduce my staffing levels and could potentially have to make around half of my current employees redundant. The consequences would therefore affect not only my business, but also the local people whose jobs we have been able to create as a result of the growth in work from SGM.

I fully support SGM's planning application for a number of reasons. I have seen first-hand the positive work SGM are doing in relation to waste management, recycling and the environment, and I believe their continued operation provides significant benefits.

SGM's continued growth also supports other local businesses such as mine, allowing us to maintain our workforce, provide livelihoods and potentially create further employment as the business grows.

I also believe that the continued operation and growth of SGM can create further employment opportunities for people in the local community, helping to bring people into work and supporting the wider local economy.

We all have businesses to run, employees to support and families to provide for the continued success of SGM has a direct and positive impact on my business, my employees and the local community.

I therefore fully support the planning application and hope it is successful.

Yours faithfully

Name Jack
