Application Description: INSTALLATION OF AIR SOURCE HEAT PUMP
Planning reference number: 25/0670
Planning case officer: Ben Webster

I refer to the above application passed to the Environmental Protection Team for comment.

I confirm the team objects to the application in its current form.

I refer to the above application passed to the Environmental Protection Team for comment.

I confirm the team requires further information in order to consider the application fully.

The MCS 020 assessment submitted with the application indicated a fail; due to the sound rating level of 40dBA being exceeded.

Further information in relation to the acoustic insulation panel; specification, surface density, dimensions and impact on the MCS020 assessment are required to assess the impact further.

Once received; the team will be in a better position to consider the installation.
