

APPLICATION NUMBER: RECON 25/0991

PROPOSAL: PROPOSED NEW BATTERY ENERGY STORAGE SYSTEM (BESS),
TRENCHING FOR UNDERGROUND CABLING ASSOCIATED WITH THE
SOLAR DEVELOPMENT APPROVED UNDER 23/0989 TOGETHER
WITH ASSOCIATED WORKS

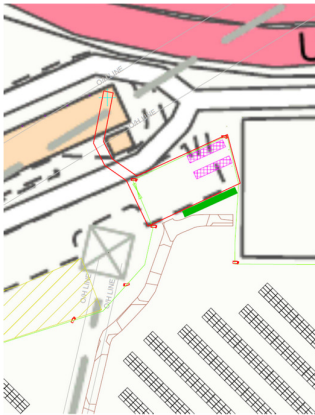

SITE: Land South of Docks Way Disposal Site Docks Way Newport

APPLICATION TYPE: Full

NO OBJECTION

A revised Figure 014 - BESS Location by Dulas REV B now shows a short section of hedge planting to the south close to corridor planting for the approved adjacent solar panel site which is welcome. Hedge planting to the north has been dismissed due to fire risk.

There is no indication of the type of hedge planting – I assume this would be the same as the solar panel site but this should be confirmed by email.
