Farm Road - NMA

Hi Vicky

Being pragmatic that sounds ok as the onus is then on the revised scheme to meet
LDP GP5.

I would advise that on resubmission the rationale is fully explained so that the
thought process behind a less complex soft landscape is clear.

A revised scheme will need to be undertaken by a landscape professional and will
need to review the mitigation and enhancement of the original approved proposal
and deliver an equivalent but potentially in a less complex way.
