

Discrepancies and/or ambiguities within this drawing, between it and information given elsewhere, must be reported immediately to the architect for clarification before proceeding.

Responsibility for the reproduction of this drawing in paper form, or if issued in electronic format, lies with the recipient to check that all information has been replicated in full and is correct when compared to the original paper or electronic image. Graphical representations of equipment on this drawing have been co-ordinated, but are approximations only. Please refer to the Specifications and /or Details for actual sizes and/or specific contractor construction information.

Is assumed that all works on this drawings will be carried out by a competent contractor, working where appropriate to an approved method statement.

The design must comply in all respects with the requirements of the Building regulations (together with specific "Fire Officer" requirements) except reference is made to other documentation of a higher standard.

The contractor will be required to develop the scheme to comply with planning conditions, Building regulations, relevant British and European standards and in accordance with the best practice including the following technical and regulatory guidance:
