Subject: RE: Planning Consultation Request for case ref: 26/0269

Hello,

The application presently lacks any tree information, as the area is covered by a woodland TPO, suitable information complaint with bs5837 will need to be provided to assess the impact of the development.

Suitable tree protection plan compliant with bs5836 will also likely be required.

Until the information is provided we will be objecting to the application.

Cofion Cynnes / Kind Regards,

Richard Baron
