

Highway Response

Ref: 26/0601

Date: 24/08/26

PROPOSAL: **INSTALLATION OF AN ELECTRIC VEHICLE CHARGING POINT**

SITE: **28 Denbigh Road Newport NP19 7JX**

Case Officer: Charlotte Neal

Highway Officer: Kevin Jackson

Highway recommendation:

No objection subject to conditions.

Highway Comments:

The application does not specify the channel to be used, but assuming this is the approved variant for Newport's trails this would be acceptable. The applicant should note that any works in the highway must be licensed by Highways. This is separate and independent of Planning consent.

The usual conditions to address removal of cables when not in use should be applied.

The applicant should also note that the charger does not preclude anybody else parking here and can only be used when the kerb space is available.
