Hello,

The ash trees would be unsuitable for a TPO due to the presence of ash dieback significantly reducing their lifespan.

The works proposed are relatively minor in comparison to the trees in question therefore, as long as the works proposed are undertaken to BS3998:2010 by a qualified and competent tree surgeon we would have no objections.

Cofion Cynnes / Kind Regards,

Richard Baron

Swyddog Coedyddiaeth / Arboricultural Officer
