Date; 11th September 2025

Dear Jared

**REF – W1b release point – AW2 Energy Storage Limited**

We Afon Wysg Energy Limited the Landowner and *LP3131SW* permit holder at Uskmouth power station are aware of your requirements within your Planning Application and SAB application to connect into our existing underground release point asset W1b.

Please accept this letter as confirmation that we have granted permission for AW2 Energy Storage Limited to connect into the W1b release point asset.

Yours sincerely,
