Dear Sir/Madam

**Re: Replacement of Ground Floor (Flat 10) and First Floor (Flat 11) Windows
(Retrospective for Rear Ground Floor Windows):
Flats 10 to 11 Kingshill Court, Stow Hill, Newport.
Pl.App.No.: 26/0489.**

Thank you for consulting us about this amended application; consequently we have reviewed the detailed information contained on your website.

You will recall our response of 12 August 2026, in which we noted that we have consulted the regional Historic Environment Record and note that the area is within the Archaeologically Sensitive Area of Newport Town characterised for the concentration of evidence of activity from the Medieval and early post-Medieval periods. Stow Hill was a major route linking the 6th century church of St Woolos to the town.

There is the potential for ground disturbing development to encounter archaeological deposits, however we note the proposal will be for fenestration changes with no ground disturbance. There has been no change to our understanding of the information in the HER, and as a result, there is no archaeological implication and we do not recommend any mitigation.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

Judith Doyle
