I refer to the above application passed to Environmental Health Housing for comment.

I have no concerns regarding the proposal for the alterations of 51 Tennyson Road, Newport, NP19 8HX for use as proposed in the planning application reference number: 26/0456.

If the dwelling is to become a HMO under the Housing Act 2004, Part 2, and where it will be occupied by more than two households, the most appropriate person (usually the landlord/owner of the property) should apply to the Environmental Health Housing Team on 01633 656656 or hmo@newport.gov.uk for a HMO licence. **The applicant is advised to read Newport City Council's Houses in Multiple Occupation (HMO) Licensing Standards document referred to above, which details standards and licensing conditions for HMOs subject to licensing. The document can be viewed on Newport City Council's website.**

In addition to HMO Licensing, private landlords are required by the Housing (Wales) Act 2014 to be registered. Also private landlords who undertake letting and management activities or their managing agents, will need to obtain a licence from Rent Smart Wales and undergo training. For further information contact the Licensing Authority; Cardiff City Council, Rent Smart Wales, PO Box 1106, Cardiff CF11 1UA, Tel No: 03000 133344, website <https://www.rentsmartwales.gov.wales>

The applicant must also be aware that from 1st December 2022 the Renting Homes (Wales) Act 2016 came into force and has changes the way all landlords in Wales rent their properties

and is advised to refer to the following link on the internet:
