TOWN AND COUNTRY PLANNING ACT 1990 [as amended]

Application No: **26/0091**

Application Type: **Full**

Proposal: **CHANGE OF USE OF UPPER FLOORS FROM MANAGERS ACCOMMODATION TO A3 USE AS A RESTAURANT, ALONG WITH REPLACEMENT SHOP FRONT**

Site/Location: **112 Cambrian Inn, Managers Accommodation , Commercial Road, Newport, NP20 2GW**

Decision Date: **19th March 2026**

In pursuance of its powers under the above Act the Council of the City of Newport notifies you of its decision in respect of your application, registered by them on 13th February 2026. The application has been:-

Refused

Reason(s) for refusal:

1. Insufficient information has been submitted in relation to extraction and any associated flue/ducting (including its siting, external appearance and route). In the absence of this information, it has not been demonstrated that the proposed A3 use can be satisfactorily served, nor that the required equipment would avoid unacceptable harm to the character and appearance of the building and the surrounding area or living conditions of nearby residents, contrary to Policies GP2 and GP6 of the Newport Local Development Plan (2011-2026).
2. The proposed works would result in the loss of the existing historic frontage, including its traditional detailing. The replacement frontage of aluminium and glass would result in demonstratable harm by virtue of its design and materials. The proposal fails to respect the architectural character and detailing of the Victorian building, resulting in an incongruous and visually harmful alteration that would significantly harm the character and appearance of the host building and the wider streetscape. The proposal is therefore contrary to Technical Advice Note 24: The Historic Environment and Policies SP9, GP2 and GP6 of the Newport Local Development Plan (2011-2026).
3. Insufficient information has been submitted to demonstrate that the site can be suitably served by adequate waste and recycling storage or waste management contrary to the aims of Policy W3 of the Newport Local Development Plan (2011-2026).

NOTE TO APPLICANT

This decision notice is issued in respect of Planning Permission only and does not convey any decision which may be required under any

other legislation or provisions, such as the Building Regulations.

The plans have been assessed on the basis of the scale or dimensions stipulated and any statement of 'do not scale' (or similar) has been disregarded.

1. This decision relates to plans and documents:
 - o Flood Consequences Assessment (Received: 06.02.2026)
 - o Plans and Elevations as Proposed (Drawing ref: PL02)
 - o Plans and Elevations as Existing (Drawing ref: PL01)
2. The development plan for Newport is the Newport Local Development Plan 2011 - 2026 (Adopted January 2015). Policies SP1, SP3, SP18, GP2, GP4, GP5, GP6, GP7, T4 and W3 were relevant to the determination of this application.
3. Due to the minor nature of the proposed development (including any demolition) and the location of the proposed development, it is considered that the proposals did not need to be screened under the Environmental Impact Assessment Regulations.

Notes for Applicants

TOWN AND COUNTRY PLANNING ACT 1990 (as amended)

Appeals to the Welsh Government

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission or grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act (as amended).
- Appeals must be made within a prescribed time period that is dependent on the application type. These time periods along with further information on the appeals process are available here and should be checked immediately: [Planning appeals | Sub-topic | GOV.WALES](#)
- Appeals in respect of:
 - Householder and 'minor commercial' development must be received within 12 weeks from the date of the decision notice;
 - Advertisement consent applications must be received within 8 weeks from the date of the decision notice; and,
 - Other types of planning application must be received within 6 months from the date of the decision notice.

Appeal forms can be downloaded at Planning Casework (gov.wales) or are obtainable from Planning and Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ, email PEDW.Casework@gov.wales

- The Welsh Ministers can allow a longer period for giving notice of an appeal, but are not normally prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Welsh Ministers do not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices

- If either the Local Planning Authority or the Welsh Government refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).
