Thank you!

Thank you for the clarification.

Thank you very much for your response.

 Feedback

Marnie I would not ask for a bat survey of this tree as it does not show any potential roosting features. The Applicant should be advised to avoid disturbance to nesting birds which are protected under the Wildlife and Countryside Act 1981: Part 1, 1(1)(b), whereby it is an offence to intentionally take, damage or destroy the nest of any wild bird while that nest is in use or being built.
