

The diagram shows a horizontal beam of total length 5m. A uniformly distributed load (UDL) of 10 kN/m is applied downwards from the left end (0m) to a point 2m from the left. At this point (2m), there is a concentrated point load of 20 kN acting downwards. The beam continues to the right end (5m) without any further loads.

4) Any discrepancies between drawings and/or drawings and specification, should be reported to the designer prior to any work commencing.

The image shows the 'concept' logo in a stylized, lowercase font, with the 'c' and 'o' in red and the 'ncept' in white. To the right of the logo, the text 'Architecture Interior Design Project Management' is written in a clean, sans-serif font. Below this, a horizontal line separates the header from the contact details. The contact details include the address 'Suite 1, Sheffield Business Park Ltd, Sheffield Business Centre, Europa Link, Sheffield, S9 1XZ', the telephone number 'Tel: 07535 318060', and the email and website 'Email: office@conceptdesign.uk.net' and 'Website: www.conceptdesign.org.uk'.
