TOWN AND COUNTRY PLANNING ACT 1990 [as amended]

Application No: **25/0431**

Application Type: **Full**

Proposal: **DEMOLITION OF THE EXISTING ATTACHED GARAGE, SINGLE STOREY FRONT (PORCH) AND DOUBLE STOREY SIDE EXTENSION, HIP TO GABLE LOFT CONVERSION AND INTERNAL AND EXTERNAL ALTERATIONS INCLUDING NEW VEHICLE ACCESS/PARKING AREA**

Site/Location: **63 Queens Hill Crescent, Newport, NP20 5HG**

Decision Date: **14th August 2025**

In pursuance of its powers under the above Act the Council of the City of Newport notifies you of its decision in respect of your application, registered by them on 20th June 2025. The application has been:-

Refused

Reason(s) for refusal:

1. The development would have a significant adverse impact upon interests of acknowledged importance, namely the design. By reason of its scale, position and design, the proposed development would have an unacceptable adverse visual impact that would be harmful to the visual amenity of the dwelling and the character of the area. The development would not appear subordinate to the main dwellinghouse and therefore is contrary to Policies GP6 of the Newport Local Development Plan 2011-2026 (Adopted January 2015) as well as the advice and guidance in the House Extensions and Domestic Outbuildings Supplementary Planning Guidance (Adopted August 2015).
2. The development would have a significant adverse impact upon interests of acknowledged importance, namely on highway safety. No information has been provided to demonstrate safe pedestrian visibility splays from the widened driveway contrary to Policies GP4 of the Newport Local Development Plan 2011 - 2026 (Adopted January 2015).

NOTE TO APPLICANT

This decision notice is issued in respect of Planning Permission only and does not convey any decision which may be required under any other legislation or provisions, such as the Building Regulations.
The plans have been assessed on the basis of the scale or dimensions stipulated and any statement of 'do not scale' (or similar) has been disregarded.

1. This decision relates to plan Nos: 25312-A102-A1_PLANNING_Proposed_RevA; 25312-A101-A1_PLANNING_Extg_RevA; 25312-A102- Proposed Site Location Plan, Floor Plans and Elevations, Drainage Layout and Demolition Plan; 25312-A101 - Site Location Plan, Existing Floor/Block Plans, Section and Elevations
2. The development plan for Newport is the Newport Local Development Plan 2011 - 2026 (Adopted January 2015). Policies GP2, GP4, GP5, GP6 were relevant to the determination of this application.
3. Due to the minor nature of the proposed development (including any demolition) and the location of the proposed development, it is considered that the proposals did not need to be screened under the Environmental Impact Assessment Regulations
4. It is an offence to carry out any works within the public highway without permission of the Highway Authority. This consent requires the construction, improvement or alteration of an access to the public highway. Under Section 184 of the Highways Act 1980 the Highway Authority must specify the works to be carried out and only the Highway Authority or contractor approved by the Highway Authority can carry out the works. Therefore prior to commencing any works that affect the access you must contact the Council's Highway Maintenance Team for further details.
5. The applicant is reminded that it is an offence to allow material to be carried from the site and deposited on or cause damage to the highway from uncleaned wheels or badly loaded vehicles. The Highway Authority will seek to recover any expenses incurred in clearing, cleaning or repairing highway surfaces and will prosecute persistent offenders under Sections 131, 148 & 149 of the Highways Act 1980.

Notes for Applicants

TOWN AND COUNTRY PLANNING ACT 1990 (as amended)

Appeals to the Welsh Government

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission or grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act (as amended).
- Appeals must be made within a prescribed time period that is dependent on the application type. These time periods along with further information on the appeals process are available here and should be checked immediately: [Planning appeals | Sub-topic | GOV.WALES](#)
- Appeals in respect of:
 - Householder and 'minor commercial' development must be received within 12 weeks from the date of the decision notice;
 - Advertisement consent applications must be received within 8 weeks from the date of the decision notice; and,
 - Other types of planning application must be received within 6 months from the date of the decision notice.

Appeal forms can be downloaded at Planning Casework (gov.wales) or are obtainable from Planning and Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ, email PEDW.Casework@gov.wales

- The Welsh Ministers can allow a longer period for giving notice of an appeal, but are not normally prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Welsh Ministers do not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices

- If either the Local Planning Authority or the Welsh Government refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).
