FLATS, PROVISION OF ROOF-TOP GARDEN AND USE OF GROUND FLOOR FOR ANCILLARY GYMNASIUM AND STORAGE AREA
SITE: Crown Buildings 11 Chepstow Road Newport South Wales NP19 8BQ

I refer to your email dated 9th February 2026.

After reviewing all the submitted documentation, it appears that adequate cycle storage has not been considered for the site.

According to the Council's Sustainable Travel Supplementary Planning Guidance, we would request 1 secure cycle space per 2 bedrooms plus 1 short stay (obvious, easily accessed and close to destination) space per 20 bedrooms for visitors.

At present only 20 spaces have been suggested. It should also be noted that the gymnasium would also require cycle parking provision should it be open for public use, again, in line with the aforementioned guidance.

Yours Faithfully,

Greg Tasker
