Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	After looking at the plans for this I cannot understand why the seating is being put right next to houses and the only walking path. Adding a car park here will increase the traffic on Nash Road. We have already lost the use of the park and we will now loose the last bits of grass. The level of noise this will bring to the estate where older people and young families have chosen to live due to the quiet nature of the area. Why not add these to the pitches up the top by the leisure centre where it is away from residential homes.
Where did you hear about this application?	Not specified

Kind regards
