Reasons for comment:	
Comments:	I do not want this at the bottom of my garden. I have lived here for 45 years and have seen Spytty park be destroyed from a lovely open field to a sport park. I have lived with the additional noise this brings from people to music and traffic. Having an additional 250 people at the bottom of my garden is not what I saw for my retirement. I regularly walk the dogs along the path and out the old entrance now with this building and the car park will impact that part of my life as well.
