

A photograph of a brick building's exterior. A grey condenser unit with a pink cartoon face is mounted on the wall. A large, dark, irregular water stain is visible on the light-colored tiled patio floor in front of the unit. A blue rectangular box with the word "Condensate" is overlaid on the image. To the right, a large object is covered with a black tarp. The building has yellow brickwork, white-framed windows, and a white door on the left. A satellite dish is mounted on the upper right wall.
