Subject: RE: 26/0359 - The Grove Bowdens Lane Penhow

Hello Vicky, I have no objection to this application as the works have largely already taken place and were situated in a private domestic garden, so any impacts on biodiversity are not likely to be significant. I had no objection to the removal of the original building as it was assessed as having negligible bat roost potential. The mitigation and enhancement measures set out in the Green Infrastructure Statement are reasonable and proportionate.

Matt
