Hi Adam,

I have no objection to the reinstatement of the river bank. At this present time, the path (Public Right of Way) in question no longer exists and has been lost due to a natural phenomenon. There is a diversion in place so legally our obligation ends there.

The diversion in place is through the estate and therefore should not be impacted by this work.

Thanks

Leah

Dear Head Of Environment & Public Protection

Please find attached correspondence from Newport Council with regards to the above planning application submitted on 30 April 2025.

Your sincerely
Development Management
