Hi Kelsey

Thanks for this. I don't know how critical it would be. We would have to ask for an assessment of existing parking demand (peaks) and detail of activities scheduled etc.. I'd also need to understand if the parking is just for the café or the whole park.

The safest thing is probably to object to the seating being there and suggest it should be relocated with or without a pergola. If they push back they will need to show that the parking is surplus to requirements.

Regards

Kevin

Hi Kevin,

I hope you are well. It's come to our attention that the café has placed outdoor seating over 5/10 of the car parking spaces. If you have any issues/ objections with this let me know and I will take it into consideration.

Kind regards,

Kelsey Parsons
