	Private sewer		Private sewer		Private sewer
	Private sewer		Private sewer		Private sewer
	Private sewer		Private sewer		Private sewer
	Private sewer		Private sewer		Private sewer
	Private sewer		Private sewer		Private sewer

Notes:

Whilst every reasonable effort has been taken to correctly record the pipe material of DCWW assets, there is a possibility that in some cases pipe material (other than Asbestos Cement or Pitch Fibre) may be found to be asbestos cement (AC) or Pitch Fibre (PF). It is therefore advisable that the possible presence of AC or PF pipes be anticipated and considered as part of any risk assessment prior to excavation.

Dŵr Cymru Cymyngedig (the Company) gives this information as to the position of its underground apparatus by way of general guidance only and on the understanding that it is based on the best information available and no warranty as to its correctness is relied upon in the event of excavations or other works made in the vicinity of the Company's apparatus. The user of this information is advised to exercise caution and to take appropriate measures to ensure the safety of the public and the Company's assets. The user of this information is advised to exercise caution and to take appropriate measures to ensure the safety of the public and the Company's assets. The user of this information is advised to exercise caution and to take appropriate measures to ensure the safety of the public and the Company's assets.
